## AIMS AND SCOPE

Current Research in MRI (Curr Res MRI) is a scientific, open access, online-only official publication of the Turkish Society of Magnetic Resonance published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is published triannually in April, August, and December. The publication language of the journal is English.

Current Research in MRI aims to contribute to the literature by publishing manuscripts at the highest scientific level on radiology. The journal publishes original articles, reviews, case reports, and letters to the editor that are prepared in accordance with ethical guidelines.

The target audience of the journal includes specialists, researchers and professionals who working and interested in the field of radiology.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

### Publication Fee Policy

All expenses of the journal are covered by the Turkish Society of Magnetic Resonance. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at <http://curremr.com>. The journal guidelines, technical information, and the required forms are available on the journal's web page.
